Booking & Reservations

How far in advance should I book my Cosmic Gathering?

All Cosmic Gatherings must be booked a minimum of 21 days prior to the event date. This allows adequate time to collect guest information, prepare personalized astrology materials, and create a thoughtful experience for everyone attending.

Is payment due at booking?

Yes. Full payment is required at the time of booking to secure your event date and begin the preparation process for guest materials and personalized deliverables.

How do I reserve my date?

Complete the booking form and submit payment in full. Once your booking is confirmed, you'll receive a Guest Information Form to distribute to attendees.

Can I book a gathering outside of Tennessee?

Absolutely. Travel may be available depending on location and schedule. Additional travel fees may apply and will be discussed during the booking process.

Guest Information & Preparation

What information is required from each guest?

To create personalized astrology materials, each guest must submit:

- Full Name
- Birth Date
- Birth Time (as accurately as possible)
- Birth Location (City, State/Country)

When is guest information due?

All attendee information, including birth date, birth time, and birth location, must be submitted upon booking. This deadline allows sufficient time to prepare personalized astrology materials and event deliverables.

Attendees whose information is submitted after the deadline may participate in the gathering but are not guaranteed personalized blueprint materials.

What if a guest doesn't know their birth time?

A birth time is strongly encouraged, as it allows for a more accurate chart interpretation. If a birth time is unavailable, portions of the reading and deliverable may be limited.

What if my guest count changes after booking?

Guest counts may be adjusted up to 14 days before the event date. Additional guests may be added based on availability and will be invoiced at the applicable per-person rate.

To ensure adequate preparation time, guests added after the final attendee submission deadline will not receive a personalized Cosmic Blueprint or printed event materials during the gathering. However, they are welcome to participate in the event experience and may purchase a personalized Cosmic Blueprint separately through The Mirrored Muse website based on availability.

Because personalized materials are created in advance, reductions in guest count after booking confirmation are not eligible for refund.

Recommended Group Sizes & Additional Guests

What are the recommended group sizes?

Cosmic Foundations: 11-22 guests

Cosmic Connections: 6-12 guests

The Cosmic Blueprint Experience: 4-8 guests

Can I Invite More Guests Than the Recommended Group Size?

Yes—additional guests may be accommodated based on availability and must be discussed at the time of booking.

Each Cosmic Muse Gathering is intentionally designed around a recommended group size to ensure a meaningful, engaging, and personalized experience for every guest. If you'd like to include additional attendees, we'll gladly explore available options and determine the best fit for your event.

Please note that larger guest counts may require additional preparation time, materials, and facilitation considerations, and additional per-person fees may apply. Final guest counts should be confirmed as early as possible to ensure the highest quality experience for everyone attending.

What happens if I exceed the recommended guest count?

Cosmic Foundations

Additional guests may be added at \$85 per person.

Cosmic Connections

Additional guests may be added at \$200 per person.

The Cosmic Blueprint Experience

Additional guests may be added at \$500 per person.

Please Note: All pricing information is referenced in detail in the Cosmic Muse Gathering Pricing & Packaging Guide.

What if my guest count changes after booking?

To ensure adequate preparation time, guests added after the initial booking will not receive a personalized Cosmic Blueprint or printed event materials during the gathering. However, they are welcome to participate in the event experience and may purchase a personalized Cosmic Blueprint separately through The Mirrored Muse website at any time.

Because personalized materials are created in advance, reductions in guest count after booking confirmation are not eligible for refund.

Host Responsibilities & Incentives

What is the host responsible for providing?

To ensure the best possible experience for guests, hosts are responsible for providing:

- A suitable gathering space for the event and anticipated guest count
- A television, projector, or presentation screen for visual materials
- Wi-Fi and/or appropriate connection cables if presentation equipment is being used
- An audio or microphone system, if needed based on venue size and guest count
- Advance notice to The Mirrored Muse regarding any required presentation connection cables or audiovisual requirements
- All food, beverages, tableware, and hospitality arrangements, if desired
- Accurate attendee information submitted upon booking

Hosts are encouraged to create a comfortable, welcoming environment where guests can relax, connect, and enjoy the experience.

What if presentation equipment is unavailable?

Cosmic Gatherings can still be facilitated without presentation equipment; however, visual materials and educational components may be adapted accordingly. Hosts are encouraged to provide a screen or projection option whenever possible to create the most engaging guest experience.

Policies

What is your cancellation policy?

Because significant preparation begins well before each event, all bookings are non-refundable.

If you need to cancel your event, your payment may be applied as a credit toward a rescheduled gathering within 12 months of the original event date.

What happens if severe weather or an emergency prevents the event?

In the event of severe weather, travel disruption, or circumstances outside either party's control, we'll work together to reschedule the gathering at a mutually agreed-upon date.

Can I transfer my booking to another host?

Yes. In the event of a cancellation, emergency, or unforeseen circumstance, bookings may be transferred to a new host and rescheduled within 12 months of the original event date.

The new host assumes full responsibility for communicating with The Mirrored Muse any updated event details, including attendee information, birth data submissions, guest count changes, event location, and scheduling preferences. Any additional fees resulting from changes to the event size, location, travel requirements, or deliverables may apply.

All transferred events remain subject to The Mirrored Muse booking policies and availability.
